Dear Future Teacher:

The Springfield Education Association (SEA) is offering a scholarship for students who plan to pursue a career in public school teaching. The scholarship was instituted in honor of a former SEA teacher, Sue Handy, and has been continued under the auspices of the SEA.

The scholarship is available to any graduating senior who has attended a District #186 high school for at least one year, or to a student whose parent or legal guardian is an employee of District #186, provided the student is enrolled in a public school.

This scholarship is designed to assist a deserving student who plans to become a public school teacher. Students chosen for the scholarship(s) will receive \$2,500 payable over four years with a copy of their transcripts and/or proof of enrollment.

3. Two letters of recommendation are required. One letter must be from a current or former teacher. (Please note letters of recommendation will not be accepted from any relatives.)
4. All applicants must include high school transcripts. (Once a college student, you must also attach your college transcript annually to maintain the award; due date is August 1.)
5. A typed resume stating all extra-curricular activities, honors and awards received, community service and work experience.
6. Proof of acceptance at a recognized college or university in a teacher-preparation program.
